5) No grants appear to have been sanctioned to this minor only either out of the I & S Grant or out of the H.S. Grant during the years 1940-41 & 1941-42. A grant of Rs 1200- was however sanctioned during 1939-40 towards the Mohakalmurum Drainage scheme. In view of this, it is for orders if the proposal of the D.O. may not be sanctioned as a Special Case.

Let 27/11/42 6) Filed for orders with reference to para 1 of the notes.

The financial condition of the M.C. as judged by the sanctioned figures for 42-43 is sound, as its closing balance of Rs 1457 is above the prescribed minimum & it has a fixed deposit of Rs 4000/- also.

The total estimated cost of the two works in question is Rs 2667. The M.C. is willing to pay of Rs 500 out of it. There is no reason why it should not pay the usual proportion of half which amounts to Rs 1337.

A I & S Grant of Rs 1337 may be sanctioned, the other half being ordered to be met out of its funds, which can certainly afford to pay it.
